

## Exfolux Medicated Shampoo: Solubilized Sulfur 2%, Salicylic Acid 2%

**Product Specification:** Exfolux medicated shampoo is a keratolytic and antiseborrheic soap-free shampoo for the relief and treatment of mild to moderate seborrhea, dandruff and other non-specific skin conditions. It leaves the skin moisturized and a soft coat.

**Active Ingredients:** Solubilized Sulfur 2%, Salicylic Acid 2%

**Ingredient Profile:** **Solubilized Sulfur** is an antiseptic that gently exfoliates and helps control the production of sebum that leads to seborrhea.

**Salicylic Acid** is a keratolytic and keratoplastic ingredient that helps remove scales, crusts and control the overall production of skin cells.

**Directions:** Shake well before use. Wet coat thoroughly with water. Apply sufficient shampoo over entire body to create rich lather. Allow to sit on animal between 5 and 10 minutes. Rinse off completely. Repeat procedure if necessary.

**Warning:** Consult your veterinarian before use. Ask your veterinarian before use if your animal is using any other medications. Keep out of reach of children. In case of contact with eyes or mucous membranes, rinse thoroughly with water. If irritation develops or increases, discontinue use and consult your veterinarian immediately. Use only on dogs and cats. Use topically only.

**Storage:** Store at room temperature 59-86F (15C-30C).
